Appointment Policy

Your dental appointments are scheduled carefully. Time, trained personnel and dental equipment are reserved for each appointment. Missed appointments add to the cost of dental care when these reserved facilities are left waiting. We require **48 HOUR** advance notice for rescheduling appointments. We reserve the right to charge a fee for a broken or cancelled appointment without **48 HOUR** notice.

Insurance and Financial Policy

Total payment is appreciated at the time of service. We accept Cash, Check, Visa, MasterCard, or Discover. We also offer 12 month interest free financing through Care Credit. We are in network with many PPO plans; however your insurance policy is a contract between you, your employer and the insurance company. We are not part of that contract except to accept the insurance company's fees. In the event we do not receive payment from your insurance company within 90 days of filing a claim with them, the balance will be your responsibility. You are ultimately responsible for any services not paid for by your insurance company. You agree to reimburse us the fees of any collection agency, which may be based on a percentage at a maximum of 30% of the debt and all costs and expenses, including reasonable attorneys' fees, we incur in such collection efforts.

Your treatment plan is individually tailored to your dental needs and is not based on your dental insurance benefits and what they may or may not deem as necessary. This office does not use amalgam (silver) fillings. We place only white resin (tooth colored) fillings. This may or may not be covered by your policy. In order to give you an estimate of cost for your needed dental treatment, we will verify your insurance benefits prior to treatment but they will only give us a basic breakdown of benefits. It is your responsibility to know your contract limitations. It is your responsibility to fully understand the coverage and exceptions of your particular policy.

You agree, in order for us to service our account or to collect any amounts you may owe, we may contact you by telephone at any telephone number associated with your account, including wireless telephone numbers, which could result in charges to you. We may also contact you by sending text messages or e-mails, using any e-mail address you provide to us. Methods of contact may include pre-recorded/artificial voice messages and/or use of an automatic dialing device, as applicable.
